

Devoted to Healthcare

WELCOME TO TRUSTABLE PHARMACEUTICAL COMPANY

More Than 8 Years In India

GEMITH PHARMA PVT LTD

A TRUSTED AND DEVOTED PHARMACEUTICAL SERVICE SINCE 2015

Gemith Pharma is the leading Pharmaceutical company situated in Himachal Pradesh, India. Starting from the origin, we have been offering our types of assistance in the field of medication and making a commitment to assist every individual. We are dedicated towards supplying the best quality medicines all over and to our customers.

Living in a world where infections cannot be eliminated, there is always a need for antidotes. Here's where pharmaceutical industries step in. We truly believe that diseases are our enemies & hence always strive to manufacture most optimum medicines like capsules, oral or external liquids or ointments – anything that can cure an ailing body. We also strive to launch a new range of products with more effective results and more effective cure.

OUR VISION

Our vision is to be the leading Pharmaceutical Company in India and provide high quality and affordable medical formulations and treatment. To maintain the best quality of trustworthiness and transparency in our Business.

OUR MISSION

We commit ourselves to humankind's mission for longer, better, more joyful lives through the best Pharma services. Our main goal is to find, create and effectively market pharmaceutical arrangements to prevent and cure sicknesses. To maintain the best quality of trustworthiness and transparency in our Business.

WE ARE CERTIFIED

WHO-GMP

(Good Manufacturing Practice)
Certified Manufacturing Unit

WHO-GMP Certification. Good Manufacturing Practice (GMP) is a system for ensuring that products are consistently produced and controlled according to quality standards. It is designed to minimize the risks involved in any pharmaceutical production that cannot be eliminated through testing the final product.

ISO 9001:2015

(International Organization
for Standardization)

ISO (International Organization for Standardization) is an independent, non-governmental, international organization that develops standards to ensure the quality, safety, and efficiency of products, services, and systems. For instance, the ISO certification we currently hold at Mead Metals is ISO 9001:2015.

FASSI

(Food Safety and Standards
Authority of India)

Food Safety and Standards Authority of India is an autonomous body established under the Ministry of Health & Family Welfare, Government of India. The FSSAI has been established under the Food Safety and Standards Act, 2006 related to food safety and regulation in India.

PHARMA

DISCOVER THE POWER OF PHARMACEUTICAL MEDICINES

Discover the power of pharmaceutical medicines in restoring health and enhancing well-being. With advanced scientific research and cutting-edge technology, pharmaceutical companies strive to develop innovative solutions to combat diseases and improve lives. From life-saving treatments to preventive care, pharmaceutical medicines offer hope and relief to millions around the world. Rigorously tested and regulated for safety and efficacy, these medicines undergo stringent quality control to ensure their effectiveness. Whether it's alleviating pain, managing chronic conditions, or curing ailments, pharmaceutical medicines play a vital role in healthcare, empowering individuals to lead healthier and more fulfilling lives. Trust in the power of pharmaceutical medicines for a brighter, healthier future.
